

Mom does the stitching. We do the typing.

Lusik came to Los Angeles from Armenia in the late 1970s with a cross-stitch hoop and the way of working her mother and grandmother had taught her. She lived in East Hollywood, the neighborhood people call Little Armenia, and later moved south to Orange County, where she stitches today.

One letter, one small X at a time.

Every piece in this brochure comes off her kitchen table in Buena Park. She works on one order at a time and checks each piece herself before it goes in the box.

Her sons built the website and put this brochure together. If you have a question, one of us will answer it. If it is a question about the stitching, we will go and ask her.

Every piece is made to order. The lead time printed beside each piece inside is stitching time only. Shipping is on top of that. If you need something by a certain date, call before you order.

Colors vary. Thread, yarn, and fabric shades change from batch to batch, so your piece will not match a photo exactly. Please read the note inside.

U P Q

*Baby blankets and bibs,
made by hand, one at a time.*

THE BLANKETS

The first letters a child learns.

The Armenian Alphabet Blanket

Ա Բ Գ in Armenian, or A B C in English. Lusik cross-stitches the three letters twice, along two diagonals that cross the blanket corner to corner, onto soft cloth woven with a small pomegranate pattern. Satin backing, fringed edges, 52 by 52 inches. Add a name or a year if you like.

◇ ALLOW 4 TO 6 WEEKS

COLORS VARY

The Full Alphabet Crib Blanket

Every letter of the Armenian alphabet, hand-knit into a crib blanket and finished with a crochet edge and a satin backing matched to the body. Blue, pink, lavender, mint, yellow, or dusty rose. Pick a color, not a shade: the yarn changes from one blanket to the next, so yours will not match the photo.

◇ ALLOW 10 TO 12 WEEKS

COLORS VARY, SEE BELOW

About the colors

Please read this before you order. Lusik works from the yarn and thread she has on hand, and dye lots change from one batch to the next. Your piece will be close to the photos here and online, never an exact match, and no two are quite the same. That goes for everything we make, and most of all for the Full Alphabet Crib Blanket, where the whole body is yarn. If a particular shade matters, call or message us first and we will tell you what she has.

THE BIBS

Small pieces for the biggest hours of the day.

The Days of the Week Bib Set

Seven bibs, Monday through Sunday in Armenian, one word on each: Երկուշաբթի, Երեքշաբթի, Չորեքշաբթի, Հինգշաբթի, Ուրբաթ, Շաբաթ, Կիրակի. Hand cross-stitched in the thread color you choose. A baby shower gift that opens like a calendar.

◇ ALLOW 5 TO 6 WEEKS

COLORS VARY

The Custom Name Bib

Your child's name in Armenian or English, up to six letters. This one is embroidered by machine on purpose, so the name survives the washing machine three times a week.

◇ ALLOW 2 TO 3 WEEKS

COLORS VARY

The Hye Em Yes Bib

Հայ եմ ես, I am Armenian, in the three colors of the flag: red, blue, and orange. Always the flag colors; the exact shades vary. Add the matching cap.

TWO MATCHED SETS

Said in two voices.

The Mama and Papa's Anushig Bib Set

Two bibs that take turns. One reads Մամայիս Անուշիկը, Mama's sweetheart. The other reads Պապայիս Անուշիկը, Papa's sweetheart. Anushig is the Armenian word for darling. Both bibs in the thread color you choose.

◇ ALLOW 3 TO 4 WEEKS

The Bari Akhorzhak Bib and Burp Cloth Set

A bib and a burp cloth carrying the two halves of a grandmother's table blessing. Before the meal the bib says Բարի ախորժակ, bon appétit. After, the burp cloth answers Անուշ ըլլայ, may it be sweet. Add the matching cap with a name or an initial.

BY REQUEST

Baptism towels with the child's name and date. Embroidered hand towels. Swaddles and hooded bathrobes with a name on them. Ask, and we will tell you what Lusik can make and when.

CARE

Dry cleaning is best for every piece. At home: cold water, delicate cycle, no bleach, no iron. Bibs may tumble dry low; lay the Armenian Alphabet Blanket flat to dry.
